Dear Leadership Forum 2025 Applicant:

Thank you for your interest in the Fort Bend Leadership Forum, a program organized in 1987 under the direction of the Fort Bend Chamber of Commerce. This program is designed to nurture and engage the leadership skills of potential and current leaders by providing an atmosphere that stimulates and fosters diverse viewpoints, resulting in innovative answers to the critical questions facing our community. The program strives to create awareness and to connect leaders with issues; it is not an academic leadership training program. Fort Bend Leadership Forum includes community immersion, leadership training, and educating participants in “how things work” in our community and our county.

The Fort Bend Leadership Forum offers learning opportunities in an atmosphere that stimulates creative thinking and encourages participants to work together to utilize both new and proven tools to meet the challenges of today and to prepare for tomorrow.

Fort Bend Leadership Forum is designed to provide the participant:

- ★ An awareness of community needs, challenges and opportunities, and
- ★ An opportunity to promote and establish relationships and share resources with other community stakeholders, and
- ★ The challenge to examine, practice and develop leadership skills and techniques

The Fort Bend Leadership Forum is a ten-month program, August through May, exclusively offered to members of the Fort Bend Chamber. The sessions start with a one and one-half day opening retreat in San Antonio. The opening retreat is followed by six one-day sessions covering criminal justice, diversity and inclusion, education, economic development/infrastructure, health and social services, municipal/county government, and a two-day trip to Austin for the state government session. In addition, the class will participate in a special three-day national government session in Washington, D.C. The Leadership program is completed with a one and one-half day ending retreat and graduation ceremony in Galveston.

The success of each Fort Bend Leadership Forum class lies in the commitment of each participant not only to the program but also to the class as a whole. Therefore, participation and attendance at each session is essential.
